## SEED CATALOGUE

PAUL LATTIG SEED COMPANY, CHICAGO, ILLINOIS

# PAUL LATTIG SEED COMPANY

(Successor to Herman Glieme, Inc.)

## Importers and Exporters

### TO OUR CUSTOMERS

It is with great pleasure that we are sending to our customers this new catalogue and we want to take this opportunity to thank you for showing your approval of the quality of our seeds.

We shall always endeavor to supply you with the very best seeds from domestic and foreign markets. For this superior quality we are offering you the lowest prices possible.

We guarantee our stock absolutely fresh and for this reason it is superior for germinating, if proper care is given to the seeds.

Any seeds not listed in this catalogue will be procured for you.

With thanks for past favors, we await further orders.

Yours truly,

Paul Lattig Seed Co.

### TERMS OF BUSINESS

We extend the usual terms of credit to regular customers and parties known to us.

Unknown correspondents desiring to open an account will please furnish satisfactory references of parties in the trade, with whom they have had credit relations. Otherwise cash must accompany order, if not goods will be shipped C.O.D.

All seeds will be delivered to your door postpaid.

All goods are subject to crop failures, shortages or other causes beyond our control.

# Outstanding Novelty

## NEW PURE STRAIN POT DAHLIA!

See Illustration on cover.

For the first time in this country we are introducing this rare Novelty: The "New Pure Strain Pot Dahlia".

The growing result in our greenhouse was far above our expectations. Plants are easy to grow from cuttings, bearing from 8-12 flowers, with a diameter of 3 to 4 inches fully double. Planting directions will be mailed with order and any information necessary thereafter.

Plants fully grown in a 5 inch pot are excellent sellers for Easter and Mother's Day.

Cuttings available after the 15th of January, 1936.

Prices strictly Net Cash with order.

This plant is available in seven separate colors, as follows:

1. Deep Golden Yellow — 2. Pure Sulphur Yellow — 3. Bloodred — 4. Lilacrose with light center — 5. Salmon Rose, with yellow center — 6. Carminered — 7. Pure White — 8. Pure White, smaller flowers.

Assorted Rooted Cuttings (blooms within 8 weeks).....	12 pl.—\$4.20.....	50 pl.—\$10.00
Assorted 2 1/4 inch pot size (blooms within 6 weeks).....	12 pl.—\$6.00.....	50 pl.—\$17.00
Assorted 4 inch pot size (blooms within 4 weeks).....	12 pl.—\$9.00.....	50 pl.—\$25.00

PLANTS ARE IN PERFECT HEALTH — QUANTITY IS LIMITED — ORDER NOW.

## Novelties

### ARMERIA: Tormosa Grdfl. New Color Shades.

Fine for beds and groups in bright rose, coral-red, purple, violet colors. Stems 16" long. Excellent cut material. Tr. Pkt. ....\$1.00

### BEGONIA: Gracilis Heterosis "Squaw",

is the first red flowering Begonia with deep blackish brown leaves. Buds and flowers are salmon scarlet. The height is 10 inches and rich flowering. Excellent in pot, for groups and cemetery work. Tr. Pkt.....\$1.00

### BEGONIA: Semperflorens "Lightning",

is the darkest and most brilliant of all the red Semperflorens and Gracilis Varieties. The immense size of the buds, 1" in diam., are deep blood red and the 2"x1" flowers are dark carmine scarlet, leaves are dark green, light brown bordered. Size of the plant is only 10 inches, a medium size between the compacta and the higher types. Tr. Pkt.....\$1.00

### BEGONIA: Gracis Heterosis Compacta "Tausendschoen".

A dwarf compact grownig plant, 4 1/2 inches high and rich flowering. The color of any other Semperflorens or Gracilis Begonia, "Tausendschoen" is a valuable market plant for the winter, as it is for bedding. Tr. Pkt.....\$1.25

### BEGONIA: Gracilis Heterosis "Dresden 1936" (Benary).

Very compact rich flowering plant, with bright carmine red flowers. Height 8 1/2 inches. Tr. Pkt.....\$1.25

### BEGONIA: Tuberous Rooted Hybrida fl. pl. "Coppergold".

This charming double rich flowering sunproof plant is an excellent bedding and valuable potplant. Leaves and small and long. Color of the flower is Old-Gold with Coppered and blooms already in July until frost 80% double. Tr. Pkt.....\$1.50

### BEGONIA TUBEROUS ROOTED: Hybrida Multiflora "Goethe".

Single, carmine red flowering. Suitable for borders and pots. Tr. Pkt.....\$1.00

### CALCEOLARIA MULTIFLORA NANA.

#### "Carminescarlet" (Benary).

10-12 inches high. Excellent for pots and groups. Tr. Pkt. ....\$1.50

#### "Orangescarlet" (Benary).

A very effective bright color. 10-12 inches high, rich flowering, for pots and groups. Tr. Pkt.....\$1.50

#### "Darkbloodred" (Benary).

Rich flowering and excellent market plant. Tr. Pkt...\$1.25

#### "Golden Tiger" (Benary).

Light golden yellow flowers, spotted dark brown. 10-12" high. Tr. Pkt.....\$1.25

### CINERARIA HYBRIDA: Multiflora Nana "Early Carminered Market".

Blooms 2 weeks earlier than all other varieties. Leaves are dark, and flowers are bright carmine. Excellent plant for market and groups. Tr. Pkt.....\$1.25

### MARIGOLD: Dixie Sunshine.

Brilliant Golden Yellow, 100% fully double.

1/8 oz. \$0.75      1/4 oz. \$1.00      1/2 oz. \$1.50

### PETUNIA GRANDIFLORA SINGLE FRINGED: "Dainty Lady".

Delicate golden yellow. The first really yellow Petunia. Plants are compact, semi-dwarf and free flowering. Tr. Pkt.....\$1.75

### SWEET PEAS EARLY FLOWERING SPENCER

#### NOVELTIES:

Shirley Temple, it has inherited blooms with the seize and richness of color in Pinkie, plus the dainty frilled and fluted flowers of lady Gay. The color is softer and more beautiful than Pinkie. The flowers are the largest on any Sweet Pea.....\$1.00 \$2.50

Claret Cup, pansy purple, large flowers..... .75 1.75

### SWEET PEAS LATE OR SUMMER FLOWERING

#### NOVELTY:

Chinese Blue, solid blue, richer and deeper than Blue Bonnet or Marine..... .75 1.75

Cucumerifolius, Double Hybrids, 5 ft......30 .60

### NOTES ON SWEET PEA CULTURE

The EARLY SPENCER varieties were originally developed for the florist trade, to be grown in greenhouses during the winter months. Besides this greenhouse use, however, they have proved themselves extremely valuable in the Southern States and in other countries with a mild climate. If sown in these mild sections in September they will bloom by Christmas. In the Northern States they are grown to advantage for cut flowers one or two weeks earlier than the late varieties, by sowing the seed as early in the spring as the soil can be worked thoroughly.

LATE SPENCER varieties should be sown as early in the spring as the ground can be prepared. The soil should be rich, worked deeply, and with good drainage. Seeds should be covered about two inches deep with fine soil, and a light covering of straw is beneficial as a mulch for retaining moisture. Be sure to provide adequate support for the plants before they get too large.

SWEET PEAS Early or Winter Fl'g. Spencer, af 1 oz. 1 lb.

Claret Cup.....See Novelty Page

Shirley Temple.....See Novelty Page

All white, largest pure white.....  
Blue Bird, violet blue.....  
Blue Bonnet, best clear blue.....  
Eldorado, fine orange.....
